CURRICULUM AND INSTRUCTIONAL DESIGN

At the heart of the Sugar Creek Charter School is a highly structured curriculum that sets high expectations and provides individualized monitoring to assist students in attaining ambitious goals for achievement. The Sugar Creek Charter School provides a strong academic foundation for students at the elementary level that will prepare them for demanding academic studies in middle school.

Sugar Creek Charter School uses the Common Core Standards as its curriculum.

To ensure that all students are permitted to succeed, every child is assessed prior to beginning instruction in reading, writing, and math. Instructional groupings are created based on students' demonstrated competency in these areas. Students who are performing below target receive instruction that ensures that they fill any learning gaps quickly and then accelerate. Likewise, students who are advanced in a subject receive instruction at a level and pace that provide an optimal challenge. Parents will be notified of the children's initial placement in each subject, as well as any placement changes made throughout the year.

The School's curricula in Science, History, Music, Art, Computer Science and Physical Fitness are based on coherent and ambitious standards for what students need to learn from the earliest grades.

Character Education

Sugar Creek Charter School has a heavy emphasis on Character Education. With four full time character education teachers, every student receives character education as a core subject.

Field Trips

Field trips may be planned throughout the year for various academic enrichment and extracurricular purposes. Parents will receive advance notice of all such trips. A permission slip must be signed by a student's parent in order for the student to participate in a field trip. Students without signed permission slips will remain at the school in another class. Participating students should bring a bag lunch unless otherwise noted.

Occasionally, parents may be needed to serve as chaperones on class field trips. No parent should feel obligated to serve in this capacity, but parents are encouraged to volunteer if possible. The primary responsibility of a chaperone is to ensure appropriate supervision for students. Parental chaperones are asked to take this responsibility seriously and to remain vigilant and attentive to the students' needs throughout the trip.

PARENT INVOLVEMENT AND COMMUNICATIONS

Parent Visitation

We strongly encourage parents to be active stakeholders in the education of their children. Thus, classroom visits are encouraged. However, classroom visits are considered a privilege and should be nondisruptive to the education process of all. The School Director reserves the right to limit the scope and duration of classroom visits. No visitors are permitted in the building after 2pm daily, in preparation for dismissal.

- Parents must be present for any birthday celebrations they chose to have for their student(s)
- You are NOT allowed to send in/drop off food without providing adult supervisor
- ALL birthday celebrations MUST take place during your child's lunch time

Volunteering

Parents are encouraged to participate in School-related activities, including those pertaining to curriculum and instruction, such as tutoring and storytelling. Volunteers may also be involved in monitoring the playground and assisting with School events. In addition, parents are encouraged to contribute their time and talent to organizing extracurricular activities and community outreach projects.

All volunteers must complete an Application for Employment and a Character Questionnaire, and each must be fingerprinted (for federal and state clearance) and pass a TB test. Volunteers receive structured training, and must follow all policies and procedures defined by the School. If activity occurs that is not in keeping with the School policies, the school director reserves the right to relieve the volunteer of his or her responsibilities.

Student Agendas/ Homework Folders

Sugar Creek Charter School has included student agendas in the list of materials needed by all students in grades 3-8. Each student will be issued one agenda at the start of the school year. Replacement agendas may be purchased from the school. The student agenda is a communication and organizational tool that encourages student responsibility and parental support. Students are required to record assignments in their agendas on a daily basis. The agendas will also provide parents with helpful information regarding procedures and dates relating to the operations of the school. Parents are to sign the agendas daily after checking their child's work. Students in grades K-2 must have a designated folder for homework. These folders should be examined on a daily basis by a parent to ensure that assignments have been completed. This will also provide information regarding the student's behavior progress. Please examine your child's folder/agenda daily.

Parent Conferences

Formal parent/teacher conferences are scheduled three times a year to facilitate open communication between parents and teachers regarding students' progress. Refer to the School calendar for specific dates. Informal conferences or conversations may also be scheduled with teachers or School leaders at any time throughout the year.

Parent Newsletters

Our school newsletter, The Parents Peek, will be posted to the school's website **every Wednesday**, from the School's Leadership Team highlighting announcements of upcoming school-wide events.

Progress Reports and Report Cards

Progress reports will be sent to parents each quarter to provide specific information about student progress in each subject. At the end of each semester, parents will receive report cards with cumulative data on their children's performance and progress.

Sugar Creek Charter School staff believes there is a direct relationship between attendance and achievement. Students with good attendance achieve high grades, enjoy school, and learn positive habits that contribute to their academic, personal and occupational achievement.

It is the responsibility of all parents to ensure that their children attend school every day they are not ill.

Tardiness

Instruction at Sugar Creek Charter School begins promptly at 8:00 am, and it is critical that all students be prepared to begin at that time. A student who is late misses valuable instructional time and conveys an unacceptable lack of regard for the School.

Any student, who arrives after 8:00 am, is considered tardy and must report to the school office before proceeding to the classroom. Students are tardy at 8:01 am. Please note that breakfast stops at 8:00am.

Any student that arrives after 8:00 am will not be able to eat breakfast.

*****Any student that arrives to school after 8:15am must be accompanied by a parent, when signing in.*****

Changes in Transportation

It is the responsibility of the parent to notify their child's teacher in writing of any changes in the student's transportation. Any changes in transportation made via phone must occur prior to 2:30pm. An administrator must approve emergency changes, including verbal arrangements, in transportation. Changes in bus transportation arrangements require a 7 day advance notice. Students can only ride the bus to which they are assigned on a regular basis. It is no longer possible to accommodate extra students on any bus.

ADMISSION, RE-ENROLLMENT, TRANSFERS

Admission

Sugar Creek Charter School is open to all children, on a space-available basis within each grade. The School does not discriminate on the basis of intellectual or athletic ability, measures of achievement or aptitude, disability, proficiency in English, or any other basis prohibited by law.

There are no admission requirements, and no tests of any sort are given to determine whether or not admission is granted, although tests are used to determine group placement once students are enrolled. If there are more applicants than available spaces, the school will hold an enrollment lottery. Once all available slots are filled, applicants will be placed on a waiting list. Students will be admitted from the waiting list as places become available in each grade, in the order that the applications were filed. Preference is given to siblings of admitted students.

Re-Enrollment

To secure your child's place at the Sugar Creek Charter School for the next school year, you must officially re-enroll him or her. In January, re-enrollment packets will be sent home along with the deadline for re-enrollment. Students whose re-enrollment packets are received after the deadline will be added to the waiting list and admitted on a space-available basis.

Transfers

The School asks that, whenever possible, parents provide at least two weeks notice if a student must transfer from the Sugar Creek Charter School for any reason. Such notice will allow the School to process the necessary transfer paperwork, including having the student's records transferred. It will also enable the School to fill the vacant seat with another student from the waiting list.

STUDENT RECORDS AND CONFIDENTIALITY

Every student is required to complete and submit the following as part of the registration process (all forms are available in the necessary language translation, upon request):

- ❑ *Proof of the child's age*
- ❑ *Registration Form.* This form is used to record all basic information about the student and the family, including home, work, and emergency telephone numbers. It is extremely important that a parent or guardian sign this form.
- ❑ *Free and Reduced Price Meals Application.* This form allows families to apply for federally funded meals, and it must be completed for all students. Student name, address, signature, and proof of income or federal assistance number must be included: all such information must reflect the student's status no more than 30 days prior to the first day of school.
- ❑ *Transportation Application.* This form allows families to apply for and receive transportation from the School and it must be completed for all students. The home address and telephone number should be indicated on this form, in addition to the nearest major cross street in the student's neighborhood. Notification of the student's assigned bus stop will be sent via regular mail. Students are not allowed to ride the bus without a signed transportation application.
- ❑ *Medical Forms.* This set of forms, which must be submitted for all students within the first 30 days of attendance, includes immunization schedules: family medical information; the child's medical history, including allergies; and a Medication Permission Form, which will permit the school to dispense specified medication to the student, as necessary.

If you have questions about immunization requirements or other medical issues, please contact your physician.

- ❑ *Record Release.* This form gives the School permission to obtain all records pertaining to a given student from his or her previous school. This form must be completed and should include the telephone number and address of the previous school, as well as the signature of a parent or legal guardian.

It is critical that the School be notified immediately of any changes in a student's name, address, phone number, responsible parent, or any other information provided at the time of registration. Such changes should be communicated in writing and addressed to the School Director.

The Sugar Creek Charter School is dedicated to complying with all confidentiality laws protecting the privacy of their students and their families. Information regarding a student's progress will be shared only with parents or guardians, appropriate members of the School's faculty and staff, and any professional consultants retained for the purpose of measuring and/or improving instructional quality. When information regarding student performance is made public, it will be presented in such a way as to avoid the identification of specific, individual students.

The School may not provide name, phone, or address lists to parents wishing to organize with other parents/guardians of students at the Sugar Creek Charter School. Parents must find alternative ways to acquire such information, such as circulating forms at parent events or meetings of the Parent Teacher Organization.

Consent is given for students to be taped either visually or orally by school personnel, media personnel, or others authorized by the school for the purpose of education, public relations, or any other purpose deemed necessary by Sugar Creek Charter School.

BREAKFAST AND LUNCH

The Sugar Creek Charter School's commitment to offering children a superior education extends to the meals that we provide for students. The School aspires to the highest possible quality in its breakfast and lunch programs, and is dedicated to meeting high standards of nutrition, taste, attractiveness, and accurate delivery.

Students are advised to refrain from sharing food with other students to minimize the spread of viruses and the risk of allergic reaction.

Students will practice etiquette and clean-up skills during mealtime.

HEALTH AND SAFETY

Students' health and safety is the School's foremost responsibility. The following information describes the precautions taken to protect the well-being of all students. If your child has any specific health, safety and/or security needs, please inform the School so that appropriate accommodations can be made.

Nurse

The Sugar Creek Charter School has the services of an on-site nurse to assist students who are ill or injured.

Parents or students may also wish to consult with the nurse on matters related to hygiene, nutrition, substance abuse, depression, child abuse and neglect, or other issues of concern.

Parents must inform the School of any allergies or medical conditions that their children might have. Also, please notify the School Nurse in writing if your child has a chronic illness that may affect his or her performance at School.

Illness or Sickness

Students with a temperature of more than 100 degree will need to go home. Your child must be fever free for 24-hours, without medication, before returning to school. They should also be feeling well and able to participate in school activities.

If your child has an extended illness (>3 days) please contact the nurse to discuss your child's return to school.

Any child with a suspected contagious skin or eye infection will be sent home from school and will need to have a clearance form filled out by a doctor and submitted by the parent before the child can return to school.

Any child that has diarrhea (more than three bowel movements in a two hour span) will be sent home from school. Likewise, any child that has diarrhea (three or more bowel movements in two hours) at home should not be sent to school until resolved.

Any child with vomiting will be sent home from school.

Any child with a profuse bodily discharge of any kind, for example, drainage from the ear, will be sent home from school.

Students who are sent home from school or remain home due to illness should stay home until:

- At least 24 hours after they are free of fever or signs of fever (without the use of fever-reducing medications)
- The student should also be feeling well, able to tolerate activity, and be able to participate in the school day.
- For influenza-like illness (ILI), it is important that their ILI symptoms are resolved and that the above guidelines are also followed. Often this could result in an absence of 3 to 5 days.
- A note by the doctor allows them to come back to school.

Screening at School

During each school year, the school nurse will conduct vision screenings of students. Vision screenings will be provided to Kindergarten, third and sixth graders.

Parents/guardians are notified of any abnormalities and are asked to follow up with the family physician.

Health Physical Forms

North Carolina mandates physicals for all students in Kindergarten. The Kindergarten assessment must have been completed in the past 12 months. Physical forms are also needed for sports. Sports physical forms are valid for one calendar year. You can obtain a form in the health office.

Immunizations

North Carolina state law also mandates that an immunization record must be submitted to the school for every child on or before the first day the child attends school. The following immunizations are required:

Vaccine	Number of doses	Vaccine	Number of doses
DTap (diphtheria, tetanus and acellular pertussis)	5 doses	Rubella	1 dose
Polio	4 doses	Hib (haemophilus influenza type B)	3-4 doses
Measles	2 doses	Hepatitis B (Hep B)	3 doses
Mumps	2 doses	Varicella (chickenpox)	2 doses

***North Carolina state law also mandates that all **seventh grade students or 12 year old students (whichever comes first)** receive the **Tdap** (tetanus, diphtheria, and acellular pertussis) vaccine and submit an updated immunization record to the school. MCV (Meningococcal Vaccine) is also required for all seventh grade students or 12 year old students (whichever comes first), on or before the first day of school. Records of both immunizations are due before the first day of school.

Prescription Medication

For medications to be given at school, state law requires that we have the following:

1. Written permission from the doctor
2. Written permission from the parent.

3. Direct, personal delivery of the medication in its original container (labeled with the student's name, the name of the medication, the date of expiration, and the proper dosage) by parent or legal guardian. Forms are available in the nurse's office or on the website.

Over- The -Counter Medication (OTC)

A written doctor's note and written permission from a parent/ guardian are required for any OTC medication to be administered, used at school or during school activities. This includes Tylenol, Benadryl, any cough drops etc. All medication should be delivered directly to the nurse by a parent or guardian. No medications should be sent to school with the student. The nurse has the appropriate forms to be filled out by your physician for authorization for your child to be able to take medications in school.

CHILD FIND

What is Project Child Find? An effort coordinated by your local school system and the Exceptional Children Division, State Department of Public Instruction, to:

- Locate and identify children and youth ages birth through 21 with disabilities who are in need of special education and related services.
- Inform parents and/or guardians of the services available from their local school system and other state and community agencies.

Who are the Children?

Children and youth who have been diagnosed or are suspected to have intellectual, physical, or emotional disabilities and are unable to benefit from a regular school program without special assistance.

What Help is Available?

- A complete evaluation and, if appropriate
- An Individualized Education Program for children with a disability beginning at age three
- An Individual Family Service Plan for each child with a disability birth through 2, or
- A referral to other agencies when needed.

How Can I Help?

If you know of a child or youth with disabilities who is not in school or receiving special assistance, you can help by:

- Giving a copy of this brochure to the parents or guardians of the child
- Encouraging the parent/guardian to contact the superintendent, exceptional children director, principal, or the Exceptional Children Division of the Department of Public Instruction
- Lending support to the child and his/her parents/ guardians until the referral is completed.

Why Should I Help?

- A free appropriate public education is the right of every child with a disability, age 3 through 21.
- The law provides for early intervention services for children with a disability, birth through two years of age.
- Parents of children and youth with disabilities need your support and assistance.
- Your local school system and the Exceptional Children Division need your help in locating these children.
- Without your help, children with disabilities may not be found.

Child Safety

SCCS's overall goal is to ensure your child's safety. Please be sure to have an updated Emergency Contact Sheet on file at the school. Please remember if at any time during the school year if this information changes please notify the school.

Accidents

The School Nurse or a trained staff member will administer initial treatments of minor injuries. The student's emergency contact will be notified immediately by phone whenever medical treatment is administered to a student, and an Incident Report will be kept in the student's permanent file. **In such cases, it is especially crucial that the School has working phone numbers for students' parents and for alternate contacts in the event that a parent is unavailable.** Please be vigilant in keeping the School's records for your child up-to-date.

Visitor Identification

To help ensure a safe and secure learning environment for your children, all visitors including parents to Sugar Creek Charter School are required to sign-in at the School office, wear a visitor's pass, and provide proper identification. Faculty and staff have been instructed to escort anyone not having a pass immediately to the office for identification.

Fire Drills/Evacuations

The School will have at least one fire drill per month within the school hours. Specific signals and procedures have been established for all types of disaster drills, and safety areas have been designated. Teachers are equipped with instructions, and all drills will be practiced with students on a regular basis.

Student Arrival and Departure

Parents should thoroughly familiarize themselves with the designated pick-up and drop-off points and visitor parking areas at the School, and carefully follow the School's instructions for operating a motor vehicle in the vicinity of the School and its students.

Certain faculty and staff members will greet buses in the morning and dismiss the children in the afternoon, ensuring that each student boards the appropriate bus in a safe and orderly fashion.

It is the School's policy that no child in kindergarten through third grade is allowed to leave a bus without an adult guardian or older sibling to meet the child. Parents or guardians should wait for the child on the right side of the bus, so the student will not be required to cross in front of the bus or behind it. In the event that an adult guardian is not waiting for the child at the bus stop, the child will be returned to the School and the parents or emergency contact will be notified. **For each child returned to the School, parents will be charged \$10 per half-hour that the child is under School supervision.** If a parent, legal guardian, or authorized adult cannot be reached by 6:00 p.m., the police will be notified.

As Sugar Creek continues to grow we have added new buses, as well as made the necessary revisions to the old ones. Each bus has undergone a thorough inspection along with modifications. To maintain the upkeep of our buses, each student will be given an assigned seat. Any damages made to the seats, parents will be notified and billed for those damages after a thorough investigation has been completed.

To ensure that students are making it to school and from home in the timeliest manner possible, we are no longer accepting transportation changes with less than seven (7) days' notice. These changes are for permanent changes only. In order for any SCCS student to ride a bus other than their original assignment, a call must be made to the Transportation Supervisor or the Assistant Transportation Supervisor, in no less than seven (7) days. This new policy, will help us to prevent overcrowded buses and delayed routes.

Safe Bus Riding

Sugar Creek Charter School provides transportation as a service to our students. This is a privilege; therefore students are expected to conduct themselves according to the Code of Conduct and to practice such virtues as respect, responsibility, and kindness, in all School setting – including on the bus. Following the School rules on the bus is essential not only for developing good character, but also for ensuring students' safety.

Students are taught to wait for and board the bus in an orderly fashion. The following rules are posted in the front and back of each bus, and students are expected to abide by them at all times:

- ❑ Sit facing forward at all times
- ❑ Keep hands, feet and mouth to yourself
- ❑ Have quiet, friendly conversations
- ❑ Stay seated until the driver gives directions
- ❑ Follow directions the first time

If a student chooses to break a rule, the following consequences are applied:

- **First Offense** = Warning
- **Second Offense** = Sit in designated seat and conference with driver
- **Third Offense** = Conference with Transportation Supervisor and a phone call home
- **Fourth Offense** = Bus Referral
 - **First Referral** = Phone Call home.
 - **Second Referral** = 1 day Bus Suspension
 - **Third Referral** = 3 Day Bus Suspension, Conference with Student, Parent, Driver and Behavior Specialist
 - **Fourth Referral** = 5 Day Bus Suspension

After the Fourth Bus Referral the student will receive a mandatory 5 day bus suspension and a meeting with the Student, Parent, Driver, Transportation Supervisor and Behavior Specialist will be required in order to reinstate bus privileges.

****Note: Overriding of the above steps may be necessary for extremely disruptive behavior or crisis situations such as vandalism, extreme defiance/insubordination, or threat of a physical nature, as well as safe school issues. Refer to the Safe Schools Policy.***

Parents with specific complaints about bus service should contact the School's Transportation Director.

Late Pick-up

Car riders picked up after 3:45 will be charged \$5.00 for every 15 minutes. Payment is due at time of pick up.

Solicitation

Solicitation of or by any student, parent, or staff member on School property for any cause except those authorized by the School Director is strictly prohibited.

Money and Other Valuable Property

Students are encouraged to leave all money and other valuable property at home. The School assumes no responsibility for the loss or theft of such articles.

Cell Phones, Electronic Devices, Candy, Gum, and Toys

Students may not bring cell phones, electronic devices (tablets, ipods, MP3 players, handheld games, Bluetooth headphones, etc.), candy, gum, toys, or other non-school related items to School unless approved by the teacher. The student assumes full responsibility for any items brought from home. Toy weapons are strictly prohibited, and no headphones, radios, games, etc., are allowed. **If these items are brought to school and visible, against school policy, they will be confiscated by the staff member and turned in to the Dean of Students for that student's grade level. If a student chooses to bring their cell phone or electronic devices, we strongly suggest that it is turned off and placed inside of their bookbag. The school will assume no liability for the damage, loss, or theft of these items. The sequence of consequences for not following the policy goes as follows:**

- **1st offense:** Device will be confiscated and returned to the student at the end of the day.
- **2nd offense:** Device will be confiscated and only be returned to the parent/guardian.
- **3rd and Subsequent Offenses:** Device will be confiscated and returned to the parent/guardian after five (5) school days (weekends not included) and the student will be assigned to one day in-school suspension.
- Any additional offenses will result in out of school suspension and a conference with parent or guardian.

CODE OF CONDUCT

A Blueprint for Living and Learning

Sugar Creek Charter School

INTRODUCTION

Sugar Creek Charter School is dedicated to providing a first rate education which is the birthright of every individual. At Sugar Creek Charter School all children will learn and be equipped with the skills necessary to reason, communicate, and live with dignity in our society.

The Sugar Creek Charter School's Code of Conduct has been designed to guide the efforts of teachers and staff in creating a safe, orderly environment and to reinforce the primary mission of the School: rigorous academic learning. The Code, which states clearly all school wide rules governing student behavior as well as the consequences for breaking the rules, will serve as a contract among parents, students, and staff.

Embracing the principles outlined herein is a first and vital step toward creating the type of environment in which our children can thrive. It will not only minimize physical harm and disruption among students, but it will help establish among all members of the School community the habits that characterize a civil society. This is our Code, a blueprint for living and learning.

SCHOOL-WIDE STANDARDS FOR SUCCESS

Staff, Students, and parents at the Sugar Creek Charter School will work together to help each student reach his or her full potential in academic achievement and moral maturity. ELEMENTARY SCHOOL DISCIPLINE POLICY

The staff of Sugar Creek Charter School has the desire to create a safe, positive environment so students can learn. We have developed a discipline plan that will allow students to be rewarded for appropriate behavior and receive negative consequences for inappropriate behavior. The following policy has been established to help all students achieve self-discipline.

Elementary School Rules are posted and explained to students:

- Follow directions the first time given**
- Get attention the right way**
- Keep hands, feet, and mouth to yourself**
- Transition quickly and quietly**
- Be in “Learning Position” at appropriate times**

When students follow the rules, they will receive various positive incentives designed to encourage appropriate student conduct. Such programs include the Student of the Day and the Classroom Positive Behavior Management Systems.

If a student breaks a rule, the following hierarchy of consequences will be followed:

- | | |
|-----------------|---|
| Green | Student is practicing appropriate behavior and will be rewarded |
| Yellow | Student is not demonstrating appropriate behavior and receives a warning |
| Blue | Student is continuing to demonstrate inappropriate behavior and will lose 10 minutes of prime time |
| Red | Student is continuing to demonstrate inappropriate behavior. He/she will lose 15 more minutes of the prime time and write a note home. This note must be signed by a parent/guardian and returned the next day. |
| No Cards | Student will receive an office referral which may result in the assignment of In School Suspension. |

Chronic, disruptive behavior will not be tolerated because it keeps other students from being able to learn. Students who show a pattern of chronic, disruptive behavior demonstrated through two In School Suspensions and two Out of School Suspensions and failure to successfully complete a school re-entry plan can be recommended to the school Board of Directors for exclusion.

Note: Extremely disruptive behavior or crisis situations such as vandalism, defiance, or threat of a physical nature, as well as safe schools issues will result in overriding the above steps. Refer to the Safe School Policy.

Appeals Process for the Discipline Policy

If you have a concern or complaint, please follow this process:

1. Try to solve the problem with the teacher.
2. Talk to the Dean of Students
3. Take your concern to the Assistant Director
4. In written form, contact the School Director

Middle School Discipline Policy

**Note: Overriding of the above steps will be for extremely disruptive behavior or crisis situations only; such as, vandalism, extreme defiance/insubordination, or threat of a physical nature, as well as safe school issues. Refer to the Safe Schools Policy.*

If a student demonstrates unacceptable behavior he/she will receive an infraction. A copy of the infraction is given to the student to take home. It is the student's responsibility to ensure that their parent receives the infraction form. This will serve as the only official notification that the infraction has been issued.

The following schedule will be followed concerning the accumulation of infractions.

- 5 Infractions In School Suspension – Call home
